BAPTIST CHURCH

(REV. J. M. GARDNER, Pastor)

The pastor and family moved into the parsonage Tuesday. They came from Capitan where they have held a series of revival meetings.

There is more thought given to the Christmas time of the year than any other. Why is it? The pastor will preach on "Christmas and Why We Celebrate it," Sunday Dec. 19, at 11 a. m.

The question is often asked "What is a Christian?" As I came down from Capitan Tuesday, I was asked the definition of a Christian. I will preach in the evening Sunday, Dec. 19, at 7:30, on "Marks of a Christian."

We extend a hearty invitation to everybody to attend these services and if you are not a member of the other Sunday school we would be glad to have you come and join ours.

The Sew and So Club met with Miss Crews last week. On account of sickness several were absent. A surprise was sprung on the ladies when refreshments were served by a change to Chop Suey. It was voted good, however, and all left with a smile on their faces.

An impromptu party was given by Dr. and Mrs. Blaney Saturday night. The evening was spent in social conversation, music and cards. After partaking of dainty refreshments the crowd went to their home feeling that such evenings are oases on the journey of life.

About two weeks ago a lady with blonde hair came into town looking for a place to board in a private family. Not finding one she went to one of the hotels. She said her husband was a stockman and she was to meet him here. In a short time a man and a boy came thru driving some horses and the lady left with them. The story comes now that the man was a well-to-do stockman from near Portales had just sold his cattle and was taking his horses to pasture. That the woman and boy, thinking he had a lot of money with him, killed him for the money and buried him in the sand. But they found only \$4.00 and got into a quarrel over that and the boy killed the woman. He saw some one coming and left her by the wagon and rode to the nearest town. There he left his horse loose with saddle on and got out on a freight. But they caught him at Deming and he had \$3500.00 on him when caught.
